Flight to Memphis and Dahshor from Sharm

Due to their great distances from one another, it is challenging to go to Memphis and [Dahshur](#) in a single day from Sharm el Sheikh.

Explore the ancient sites of Cairo, Giza, Dahshur, and [Memphis](#), where history comes alive through the architectural brilliance of pyramids and temples. Marvel at the craftsmanship of ancient Egyptians and be transported to a bygone era where pharaohs ruled and legends were born. Immerse yourself in the timeless beauty of these archaeological gems and create unforgettable memories.

And this day trip beat all of our expectations especially when you have a felucca ride after you finish your day there. Dahshour archaeological area has the last two pyramids constructed in Dahshur finally destroyed by the ravages of time, such as the Black Pyramid ([12th Dynasty](#)), which is badly damaged.
