Itinerary

Diving Excursion in Soma Bay

You will be picked up from your hotel and taken to Soma Bay via boat. Once you have all of your equipment on and are ready to go, our guides will lead the way through some shallow water so that everyone can get used to their new gear and feel comfortable with diving before going deeper. They will then take you into deeper waters where we hope you'll see beautiful corals and marine life like turtles and dolphins! After the dive, you'll return to shore where you can relax on the beach or enjoy lunch before heading back to your hotel.
