Pyramids day trip from port said

Begin your tour with the iconic immortal [pyramids of Giza](#), which is one of the wonders that Pharaohs left to us to discover within it each time. It had been built thousands of years ago to store the king's treasures inside of them and hide them from thieves. In addition, the main protection for the pyramids is coming from designing the [great sphinx](#) that will be your next stop.

Then refresh your energy with a tasty delicious lunch aboard a felucca on [Egypt Nile cruise](#) sailing from Maadi. After you are done with the felucca trip you will be taken by your private transfer to travel back to the port said to catch your cruise.

you will be dropped off at the same place of picking up.
