[Itinerary](#)

Day 1: Embarkation

Our representative will meet you at the Luxor Airport or Train station. We will transfer you to your Nile cruise. You will see the largest structure ever constructed in human history, the [Karnak Temple](#) Complex. The great building was thought to be the home of divinity on earth and belonged to the divinity Amun Ra. Although there are occasional allusions to earlier structures that date back to the third dynasty, the older structures originate from the middle kingdom.

You will see The [Luxor Temple](#), which was built by a ruler of the 12th dynasty and finished by the well-known pharaoh [Ramses II](#). This temple, like Karnak, was situated in the heart of ancient Thebes and was devoted to the chief/principal [god Amun Re](#). After your day's journey, you will be transferred back to your ship for some relaxation and refueling. At night, the personnel will perform Egyptian folklore entertainment. After having dinner, you'll spend the night in Luxor.

Day 2: Luxor West Bank Tour

Breakfast will be served on the Nile cruise.

Then you will start your amazing journey in Thebes in your [Egypt day trips](#), the sacred area, by touring the west bank of Luxor, which contains the Valley of the Monarchs, which is thought to be the royal cemetery of the Theban monarchs and rulers of ancient Egypt as well as the resting place of our Pharaohs.

Then you will be able to see the Temple of [Queen Hatshepsut](#) in Deir El Bahari. One of the most stunning architectural examples from ancient Egypt is this temple. You will visit The [Colossi of Memnon](#), which belonged to King Amenhotep III.

You'll then head back to your ship for lunch.

Meals: Breakfast, lunch, and dinner.

Day 3: Tour to Kom Ombo and Edfu temples

You will enjoy a delicious breakfast on your Nile cruise.

Your tour will start with a stop at the Temple of Horus at [Edfu](#), which is one of Egypt's most stunning and best-preserved temples. After that, you'll be taken back to your ship. Lunch will be served on board throughout the journey to Kom Ombo. You'll go to the [Kom Ombo Temple](#) in the afternoon, which was formerly a place of worship for the two gods Sobek and Haroeris.

After your dinner, you will get back to the ship. You will enjoy the unique atmosphere of the Nile from the sun terrace. On its banks, the civilization of ancient Egypt developed and flourished.

Dinner will be served on board during the trip to [Aswan](#). Spend the night in Aswan after arriving late in the afternoon.

Day 4: Aswan Day Tour

You will have your breakfast on your ship. Later, you'll go with your Egyptologist tour guide to Aswan to see the [High Dam](#), which was constructed in 1960 to protect Egypt from the Nile flood by Egyptian President Gamal Abdel Nasser. After that, you'll board a speedboat and travel along the Nile River to Agilika Island, where you'll visit the [Philae Temple](#), which is an ancient structure that was erected in honor of the goddess Isis (the mother of the god Horus) during the Greco-Roman era.

Finally, you will be transferred to The [Unfinished Obelisk](#), which is a red granite structure dedicated to the god Amun Ra and one of Aswan's most stunning structures. Once your day trip is over, you'll head back to your ship. Lunch will be served onboard.

There will be afternoon tea available on board. Spend the night in Aswan.
