[Itinerary](#)

Day 1: Welcome to Cairo!

We're thrilled to welcome you to Egypt! Our tour guide will be waiting for you at [Cairo International Airport](#) to assist you with customs and transportation to your hotel. Upon arrival, our representative will help you with the check-in procedures and provide you with a welcome drink.

We understand that you may be feeling tired from your journey, so we recommend getting some rest before we start our sightseeing activities in the morning. We have an exciting itinerary planned for you, so get ready for an adventure!

Day 2: The Pyramids, Sphinx & Egyptian Museum and copitic cairo

After breakfast, get ready for an exciting tour of some of the most famous sights in Egypt. We'll start with [the Great Pyramids](#) of Cheops, Khafre, and Menkaure, and the Sphinx, which is the largest monolithic statue in the world and the first known example of colossal sculpture. Nearby, you'll see the Valley Temple, which was built by King Chefred in the 26th century BCE and used for mummy preservation.

Next, we'll head to [the Egyptian Museum](#) in Cairo, which is famous for its vast collection of Egyptian treasures and monuments. You'll have the opportunity to see the Tutankhamun collection and other outstanding pharaonic art objects.

After that, we'll stroll through Cairo's historic downtown streets, starting with the impressive medieval [Salah El-din Citadel](#) and its enclosed Mohamed Ali alabaster mosque, once a barrier against the Crusaders. You'll be able to enjoy awe-inspiring vaulted ceilings, hanging lights, and metropolitan views from this former fortress. In the evening, you can explore the [Khan El Khalili](#) Old Market and the Old Cairo churches.

For a memorable experience, you can sign up for a fantastic dinner cruise down [the Nile River](#). Enjoy a two-hour trip while savoring an Egyptian-style dinner and live entertainment. After the cruise, return to your hotel for an overnight stay.

Day 3: Fly to Luxor & Sightsee

After breakfast, you'll take a short flight to Luxor, which is around 420 kilometers away from Cairo (676 kilometers by road). One of the day's highlights is a visit to [the Karnak Temple](#), which is the largest remaining temple in Egypt. Established during the Middle Kingdom, it was once a significant religious center. You'll also have the opportunity to visit the vast [Luxor Temple](#) complex on the east side of the Nile. Developed during the New Kingdom around 1400 BCE, the temple complex boasts impressive structures and rich history.

Day 4: Explore the West Bank

Today, we will board a boat and start our journey down the Nile. We'll visit the [Valley of the Kings](#) to see the rock-cut tombs of Tutankhamun and other wealthy nobility dating from the sixteenth to the eleventh centuries BCE. After that, we'll see the remnants of Amenhotep's memorial temple at the Colossi of Memnon. These towering sculptures of Amenhotep III, which were erected to guard the temple's entrance, are now reduced to just two.

Next, we'll visit the Temple of Hatshepsut, which is the centerpiece of the [Deir el-Bahri](#) complex of funerary temples and tombs. This monument to Queen Hatshepsut is an impressive sight to behold.

Day 5: Cruise to the Temple of Edfu and kom ombo

Today, we'll pass through Esna Lock on our way to the temples at Edfu. Your guide will provide you with more information about the significance of these temples. The [Edfu Temple](#) of Horus, which was built between 237 and 57 BCE, is one of the best-preserved temples in Egypt. Many of its inscriptions can still be seen today.

After dinner on the boat, you can relax and watch the sunset over the Nile. The river journey continues until we reach [Kom Ombo](#), where we'll visit the Temple of Sobek and Haroeris. This temple was dedicated to the crocodile god Sobek and the falcon god Haroeris. Many of the walls of its courts, halls, sanctuaries, and chambers still exist, along with wall sculptures and statues.

Late in the afternoon, we'll continue our journey to Aswan, where you'll spend the night.

Day 6: Aswan sightseeing

Today, you'll have the opportunity to visit the Aswan [High Dam](#), which was completed in 1970 and marked an engineering marvel at the time. It increased Egypt's arable land by 30% and doubled the country's power supply. Alternatively, you can visit the Philae Temple, whose construction began in 690 BCE and is a magnificent example of ancient Egyptian architecture.

Our next stop on the tour will be the [Abu Simbel Temples](#), a pair of temples built in Egypt between 1279 and 1213 BCE. These temples are an impressive sight to behold and will leave you in awe.

In the evening, enjoy your dinner and the ship's night as we continue our journey down the Nile.

Day 7: Fly Back to Cairo & Relax

This morning, we'll take a flight back to Cairo, and upon arrival, we'll transfer you to your hotel so you can relax and unwind. Later, you'll have some free time to explore Cairo, whether you choose to go shopping, try some delicious Egyptian cuisine, or simply enjoy the beautiful sights and sunset views along the Nile River. You'll be staying at a hotel in Cairo for the night.

Day 8 - Cairo - Fayoum

Our tour leader will pick you up from your hotel in Cairo in a comfortable, air-conditioned vehicle for a journey to [Fayoum](#). Our first stop will be at the Kom Aushim Museum, where you can find guides for all the attractions in Fayoum. The museum showcases relics dating from the Prehistoric to Roman epochs, and you can see a painting of Fayoum.

Next, we'll visit Karanis, also known as The Lord's Town, which is one of the largest Greco-Roman cities in Fayoum. It was originally settled in the 3rd century BCE by the mercenaries of Ptolemy the Second's army, and you can find two temples in the city.

After that, we'll move on to Hawara (Arsinoiton polis), which was established during Amenemhet III's construction of the Pyramid Complex in the 11th Dynasty. Then, we'll head to [Lake Qarun](#), named after the King who was buried there with all his wealth and treasures. We'll also provide lunch on the lake.

At the end of the tour, we'll visit the Waterfall and the 673-kilometer-long, 42-meter-deep valley known as [Wadi El Rayan](#). In 1966, this depression was converted into a water reservoir when it was connected to Qarun Lake via underground pipes.

We'll spend the night in a hotel in Fayoum and visit the village of Tunis to tour the pottery art school before concluding our tour.

Day9 - Fayoum - Cairo

After breakfast, your tour guide will pick you up from your hotel and take you on a desert adventure in a 4x4 Jeep. You'll travel to [Wadi El Hitan](#), also known as the Valley of Whales, which is a protected natural heritage site that was inducted into the UNESCO World Heritage List in 2005. This site is abundant in fossils and is considered an outdoor museum, dating back 45 million years.

You'll see soft rock fossils such as petrified mangrove roots, shark teeth, and prehistoric whale teeth. Coral and seashell fossils can also be found in the area. You'll visit the Fossil & Climate Change Museum, which has numerous fossilized mangroves, whale bones, and other prehistoric marine life outside and inside glass exhibits.

Afterward, you'll visit Qusur El Arab and enjoy a delicious supper before heading back to the Fayoum Oasis to see the Madinet Madi shrine. On the way back to Cairo, you'll have the opportunity to visit the Fayoum Pyramids before arriving at your Cairo accommodation.

Day 10: Final Departure

Your journey has come to an end. It's time to head to the Cairo airport to catch your flight. Wishing you a safe and pleasant journey!
