Day 2: Tour to Giza Pyramids, Egyptian Museum, and Fly to Aswan

Start your day with a delectable breakfast at your hotel before meeting your certified Egyptologist for an unforgettable tour of the Giza Pyramids and the Egyptian Museum. Begin your tour with a visit to the [Giza Pyramids](#), where you'll marvel at the monumental structures, which were built by ancient Egyptian rulers as burial tombs and eternal homes for the afterlife. Your Egyptologist will provide insights into the era of the pyramids and the significance of ancient Egyptian religion as you stand beside the world's tallest building until the construction of the Lincoln Cathedral in 1311 A.D. Enjoy the panoramic view of the plateau and enjoy an optional adventurous camel ride around the Giza Pyramids while your Bedouin guide captures stunning photos for you.

Next, you will see the Great Sphinx, which was carved from a single block of stone, symbolizing power and authority in the form of a man-headed lion, and you will visit the Valley Temple of King Chephren, where his body was mummified before burial. Then head to Tahrir Square to explore the largest collection of Egyptian antiquities at the [Egyptian Museum](#), which includes the golden collection of King Tutankhamun on the museum's second floor.

Enjoy a delicious lunch at a top-quality restaurant before we transfer you to the Airport to catch your flight to Aswan. Meet our representative at Aswan Airport and proceed to your hotel for check-in and overnight there.

Day 3: Abu Simbel Tour and overnight in Luxor

Join us for an incredible day tour to [Abu Simbel](#) from Aswan with our certified tour guide. We'll pick you up from your hotel and take you on the best Aswan excursion to the awe-inspiring temple of Abu Simbel. This temple was masterfully carved into the mountains by King Ramses II as a tribute to his beloved wife Queen Nefertari and himself. These majestic temples are a true treasure of ancient Egyptian architecture, which reflects the power and influence of the new kingdom kings. This temple was dedicated to Hathor, the cow goddess of love and music. You should visit this incredible temple.

After exploring the temple, we'll take you to enjoy a delicious lunch before transferring you to your hotel in Luxor for an overnight stay. The package includes breakfast and lunch.

Day 4: Luxor East and West Bank Tours and Flying back to Cairo

Start a fascinating journey through [Luxor's East and West Banks](#) with our certified Egyptologist and private driver after enjoying breakfast at your hotel. This is one of our top-recommended Luxor excursions. Your tour begins with a visit to the Colossi of Memnon, where you can marvel at the imposing statues built for Amenhotep III. Then, explore the Temple of El Deir El Bahri and the [Valley of the Kings](#), where you'll find rock-cut tombs for the pharaohs of ancient Egypt, for example, Tutankhamun's tomb, which was discovered intact in 1922. This is a mesmerizing Luxor sightseeing experience.

After a delectable lunch, resume your tour on Luxor's East Bank, where you'll visit the Temple of Karnak, the largest religious and administrative building in the ancient world, which was built over 2000 years by different eras of pharaohs.

After finishing your Luxor day tours, we'll transfer you to Luxor Airport for your flight to Cairo. Our representative will meet you at the airport and transfer you to your hotel for an overnight stay in Cairo. The package includes breakfast and lunch.
