You will meet us at Alexandria Port, and then we will take you shopping in Cairo.

We will visit the Mall of Egypt first. This is the most famous and demanded mall in the country, which contains almost all forms of shopping stores. To add fun, they have also made a penguin habitat and a cable car ride.

Moving on, we will stop at one of the best shopping malls (Mall of Arabia). You can go to every house of over 150 shops and restaurants. The mall embodies a beautiful dancing fountain as well as being one of the biggest and oldest malls in Egypt with a great food court.

Visit City Stars Mall! A plethora of stores makes it ideal for anybody interested in simply having a good time during the day. This mall provides great options with numerous levels, many of which boast great dining as well as a fantastic play area along with just one of the most famous movie theaters in the city.

You will have your lunch during the tour, and after you finish your shopping spree, you will be returned to the port to end your day.
