Day tour to the museums in Cairo from Port Said

Port Said, welcome to the expert tour leaders from Cairo Top Tours, who accompany you all around the great museums of Egypt, taking you to our first place: **the Egyptian Museum.**

The Egyptian Museum has turned out to be a historic landmark in Central Cairo, as it was opened to the public by Khedive Abbas Helmy II in 1902. Most probably the best-known ancient Egyptian artifacts are kept here, with one of the largest collections from a civilization's perspective.

The National Museum of Egyptian Civilization (NMEC):

The rich NMEC heritage of Egypt offers material and immaterial assets from Egypt, analyzing their contribution through many historical periods into a more profound knowledge of civilization in items from NMEC.

Abdeen Palace Museum:

Abdeen Palace in Cairo is most known for its 500 uniquely designed rooms that boast incredible furniture and decorations. You will have the chance to visit the inside of these rooms and learn about their purposes—they were for receiving some important guests of the royal family and government officials.

At the end of the tour, you will be brought back to your boat at Alexandria Port.
