****Sharm Museum Day Trip****

This tour is a must-do when in Sharm El Sheikh. The museum's exhibition hall, located to the right of the royal corridor, features unexcavated artifacts including cats, hawks, crocodiles, and newly discovered mummified animals. The ancient Egyptians believed in life after death, which is why they practised mummification. Another hall displays models of ancient Egyptian gods, a tomb, a mummy, and a sarcophagus of a lady from the late New Kingdom, along with exhibits related to the Giza Pyramids.
