residents.

Next, a short drive takes you to Pompey's Pillar, the tallest ancient column in Egypt, erected in gratitude to Roman Emperor Diocletian.

Following approximately 2 hours at the Egyptian Museum, our journey continues with a visit to the Citadel of Saladin during our Islamic Cairo tour. We'll explore the Coptic district, beginning with the ancient Roman fortress of Babylon, dating back to the 1st century. Here stands the Hanging Church, suspended on towers, an iconic symbol of Coptic Cairo. Our tour of Coptic Cairo concludes with a visit to the historic Jewish area to see Ben Ezra Synagogue, originally a Christian church before being converted.

Next, we'll explore Islamic Cairo by strolling along El Moez Ledin Allah Street, the oldest street in Fatimid Cairo and a remarkable open-air museum of Islamic art and architecture. Our walk culminates at Al Azhar Mosque before enjoying a break at El Fishawy, the oldest café in Khan El Khalili, where you can sip Turkish coffee or indulge in a special mango juice.
