Day 3: Cairo to Bahariya Oasis

In the morning, after enjoying a delicious breakfast, a modern air-conditioned car will be ready to transport you to Bahariya Oasis with our trusted Cairo Top Tours guide. The journey from Cairo takes approximately 4 hours. Upon arrival, your tour begins with a visit to the Museum of Golden Mummies, discovered by chance when a donkey cart uncovered a hole revealing thousands of mummies adorned in gold from the Roman era in Egypt. You'll also explore the Tombs of the Nobles, who once governed the oasis during the Pharaonic period.

Next, visit the Temple of Alexander the Great in Bahariya Oasis, unearthed by Egyptian archaeologists. Despite natural circumstances causing some damage to its inscriptions and carvings, the temple remains a significant historical site. You'll also visit the Temple of Ein El Meffetla, once the central hub of the ancient city of Al Qasr.

Enjoy a delightful lunch at the oasis before checking into your hotel. Spend the afternoon at leisure, indulging in the mineral-rich groundwater with a relaxing dip in the hotel's hot spring.

As the sun begins to set, experience a guided walk through the oasis, encountering local residents to learn about their traditions and customs. Later, embark on a climb up Black Mountain to witness the remains of the English House atop the summit. The panoramic view offers a stunning vista of the oasis against a backdrop of clear blue skies at sunset—a truly memorable experience well worth the ascent.
