You'll start by exploring Luxor Temple, which was dedicated to the Theban triad: the mighty god Amon-Ra, his wife Mut.

Day 2: Luxor West Bank Tours

After breakfast, we'll head to the west bank to visit the temples, including the Hatshepsut Temple, also known as the Temple of El-Deir El-Bahari. This mortuary complex, built by Queen Hatshepsut, was uniquely designed by her trusted architect, Senmout.

Next, we'll stop at one of Luxor's most iconic landmarks, the Colossi of Memnon—two massive stone statues of Pharaoh Amenhotep overlooking the Nile.

The West Bank also serves as the gateway to the Valley of the Kings, home to the tombs of many rulers, including the famous Tomb of Amenhotep II (KV35).

Optional: Hot air balloon ride.

We'll then sail towards the temples of Edfu and Kom Ombo.

Meals: Breakfast, Lunch, Dinner

Day 3: Edfu and Kom Ombo temples

After breakfast, you'll visit the Temple of Edfu, one of Egypt's largest temples. Built over 180 years by various rulers, the temple stands atop ruins dating back to Ramses III.

Enjoy lunch as you sail to Kom Ombo, where you'll explore the impressive Temple of Kom Ombo. This unique double temple is dedicated to two deities: Sobek, the crocodile god, and Horus, the falcon-headed god.

Afterwards, continue sailing to Aswan to visit the High Dam, Philae Temple, and the Unfinished Obelisk.

Day 4: Aswan Tour

In the morning, you will begin the Aswan tour with a visit to the Aswan High Dam, the main source of electricity for the entire country. Next, explore the Greco-Roman temple dedicated to the revered goddess Isis, one of the most significant deities in ancient Egyptian religion.

Discover the stunning Philae Temple, located on the beautiful island of Philae, often referred to as the "Pearl of Egypt." The island's lush vegetation grew from fertile deposits in the granite rocks. Philae's monuments mainly date back to the Ptolemaic Period (332–30 BC).

Lastly, visit the Unfinished Obelisk, an incomplete granite monument offering valuable insights into ancient stonemasonry techniques.
