Itinerary

Giza pyramids, Memphis and Saqqara Trip

The Giza Pyramids tour is an interesting trip which starts in Cairo and finishes at Saqqara Necropolis. The trip starts with your private guide- It takes you to the Giza Necropolis area through which you will witness the gigantic pyramids constructed for the 4th dynasty kings in the early history of Egypt. In this guide, you will get further information on religion and the pyramid of King Cheops that was built 4, 5000 years ago with 2.3 million limestone blocks. You going on to the plateau where the three pyramids of Cheops, Chephren and Mycerinus are and all the time your photographer guide, is taking shots of you at your most memorable moments during your tour.

This tour also encompasses the Valley Temple of King Chephren in which the king's body was prepared for burial, The Great Sphinx being a massive statue of a lion with a man's head. The next destination is Saqqara Necropolis to visit the oldest pylon of the third millennium BC. , Step Pyramid of – King Zoser's constructed of 6 limestone steps from 47 centuries ago. In Memphis city there are display of statues of King Ramses II and other relics from the middle kingdom and new kingdom of ancient Egypt history. Lunch that will consist of exotic and tasty foods will be arranged before, during or after the tour.
