

When you arrive in Cairo, the Cairo tour from Alexandria return to Port-Said, you will be transferred to see the [Great Pyramid of Cheops](#). Then, you will go to the second pyramid built by King Chephren twenty years after his father's pyramid, and the third pyramid of Giza dedicated to the burial of King Menkaure. You will see the famous [Sphinx](#), which represents the living image of the god with a human head and lion body, as well as the 4000-year-old Valley Temple of King Chephren dedicated to the [Mummification](#) of the king's body.

The Pharaohs restaurant in [Saqqara](#) will be your lunch spot and your [Cairo Day Tours](#) will continue sightseeing at the [Step Pyramid Complex](#): the oldest building in the world, which is still one of the most extraordinary buildings on the planet. The tour also includes your entrance to [the pyramid of King Teti](#), which has the most decorated interior among all the accessible pyramids. Finally, you will see the tombs of the nobles at Sakkara, which show the scenes of everyday life in ancient Egypt 4000 years ago.

Then you will be transferred to the Cairo pyramids hotel to check in and spend your night at your Cairo hotel.
